About the Fort Bend Boys Choir

Members of the Fort Bend Boys Choir of Texas are all boy. They are football, basketball, baseball and soccer players ... They are Tae Kwan Do competitors, swimmers and Boy Scouts ...

What brings these boys from all walks of life to the Fort Bend Boys Choir? It is the power of music! Through this medium, boys have the potential to produce something positive and creative with their musical gifts. It allows them to be a part of something bigger than themselves, yet develop into the individual they will become. Music and singing doesn't make them any less of a boy; rather it helps them grow and mature in heart and spirit.

In its 30th anniversary season, the award-winning Fort Bend Boys Choir has been a prominent presence in the community and is also one of the largest and finest programs of its kind in the world. Almost 200 choristers are divided into 5 ensembles: the Training, Town and Tour Choirs; Cantabilé, an alumni choir of changed voices; and Music Magic, an introductory program for six and seven year old boys.

The Fort Bend Boys Choir strives to make a difference ... one boy at a time, and we need your help. No chorister has ever been turned away due to financial reasons in our Choir's history, so a sponsorship or donation at any level would greatly assist in the continuance of musical excellence for our young men. You, too, can make a difference ... one boy at a time.

What is Walk in Concert?

Walk in Concert is the Fort Bend Boys Choir's annual walk-a-thon! Choir members and other participants will complete a 3-mile walk and the highest money raisers among the choirboys earn some great prizes. Of course, all participants will receive a cool walk-a-thon t-shirt as well!

Who benefits from the walk-a-thon and what is the goal?

Our goal is to raise over \$10,000 for the Fort Bend Boys Choir's five music programs. The Fort Bend Boys Choir never turns boys away due to financial reasons so funds are needed to ensure that boys have the opportunity to sing and practice their craft as well as gain confidence and self-esteem.
